Copy of a letter No.RRA-11(3)/50, dated the 5th May, 1950, from the Government of India, Ministry of Rehabilitation.

Subject:- Recovery of rent of evacuee agricultural lands at a uniform rate.

I am directed to state that at present the rate of rent recovered from displaced persons and locals allotted, or in occupation of, evacuee agricultural lands various from state to State. It is obviously desirable that a uniform rate should be adopted in all States. It has therefore, been decided that with effect from the summer-crop of 1950, the rent of evacuee agricultural lands in all the States should be recovered at the following uniform rates.

1) Except in the cases of old tenants of Muslim evacuee owners the recovery of rent will be made at twice the land revenue plus cesses normally payable by the land owner.

2) In the cases of old a tenants of Muslim evacuee owners the rent will be recovered at the rate paid by them to their Muslim land owners before the partition or twice the land revenue plus usual cesses whichever is higher.
